🔍 **Anatomy of Mark Alford's Statements: A Captured Congressman Uses Racist Lies to Defend an Illegal Blockade**

Source: Rep. Mark Alford (R-MO) in an interview on April 13, 2026.
Excerpt:
"Iran started this war with the Iranian hostage crisis (1979). … This is a short-term pain for a long-term gain so that we make sure that we don't get nuked in the United States of America by Islamic dirtbags."

Alford is not a newcomer. He is one of the 349 AIPAC-funded members of Congress, received the headlock CC evidence (proving the war was started under Israeli pressure), and remained silent. He voted for unlimited aid to Israel, funded the Iran war, and opposed any war powers resolution. He is a node in the Israeli-Irgun capture network. Below is a dissection of each of his lies in our established context.

Lie #1: "Iran started this war with the 1979 hostage crisis"

Alford's Claim	Fact
Iran "started" the war in 1979.	**Lie.** The 1979 hostage crisis has nothing to do with the Iran war that began on February 28, 2026. Joseph Clay Kent resigned on March 17, 2026, explicitly stating: "The war started due to pressure from Israel and its powerful American lobby." Alford received the headlock CC evidence (March 14, 2026), which included Kent's letter. He ignored it.

Alford inverts cause and effect. The U.S./Israel started the war. Iran's blockade was a defensive response. He uses a 47-year-old event as an excuse to attack Iran, just as Congress uses AIPAC money as an excuse to betray the United States.

Lie #2: "Iran has been terrorizing the world"

Alford's Claim	Fact
Iran funds Hezbollah, Hamas, the Houthis.	Iran does support those groups. But the United States funds **Israel** – a state with 90-400 undeclared nuclear warheads that has committed genocide (Gaza) and war crimes (Minab school massacre of 165-206 children). Which is the bigger "terrorist state"?
Iran threatens to nuke the United States.	**Lie.** IAEA Director General Rafael Mariano Grossi stated in March 2026: "There is no evidence that Iran is making a nuclear bomb." Iran has no nuclear weapons. **Israel** has an undeclared nuclear arsenal.

Alford is projecting. He projects Israel's crimes onto Iran to justify an illegal war.

Lie #3: "Biden and Obama funded Iran"

Alford's Claim	Fact
Biden and Obama released sanctions and sent billions to Iran.	**Half-truth but misleading.** The funds unfrozen under the JCPOA were **Iran's own assets**, not U.S. taxpayer money. Alford fails to mention that Trump withdrew from the deal. Meanwhile, Congress has given Israel a **$38 billion MOU** plus **$15 billion in emergency arms sales in 2026 alone**. Who is really being "funded"?

Alford is deflecting. He attacks the unfreezing of Iranian assets while staying silent about his own votes to send hundreds of billions of taxpayer dollars to Israel.

Lie #4: "The economy was strong. The Dow was above 50,000"

Alford's Claim	Fact
The Dow was above 50,000 before the war started.	Even if true, it is irrelevant. After the war started, the stock market crashed due to the Strait closure, oil price spikes, and global trade disruption.
"Short-term pain."	"Short-term pain" includes: $4.12/gal gas, 5-12% inflation, 1.2 million disabled Americans losing SSDI, 17 VA hospitals closed. This is **pain for Americans**, while Israel's aid is protected.

Alford is sacrificing the American people for Israel's war. He calls it "short-term," but Congress has already cut benefits for ten years through H.R.1.

Lie #5: "Islamic dirtbags will nuke us"

Alford's Claim	Fact
Iran will attack the United States with nuclear weapons.	**An outright lie.** IAEA: no evidence of an Iranian nuclear bomb program.
Iranians are "dirtbags."	Racist dehumanizing language. This is classic Israeli-Irgun rhetoric: painting the enemy as savage, irrational, subhuman, and deserving of annihilation.

Alford is not "misspeaking." He is using racist fear-mongering to sell an illegal war. This language is as primitive as the kapparot chicken-swinging ritual – only substituting 21st-century political violence for chicken blood.

Why Alford Is a Perfect Node of the Capture Network

Metric	Alford's Record
AIPAC funding	✅ Yes (one of 349 members).
Headlock CC silence	✅ Received evidence, zero hearings.
Voted for Israel aid	✅ Yes.
Voted to fund Iran war	✅ Yes.
Voted against war powers	✅ Yes.
Public racism	✅ "Islamic dirtbags."
Spreads Iran nuclear lie	✅ Ignores IAEA.

Alford is not "misguided." He is captured. Every word he speaks is either a lie, fear-mongering, or racism – all in service of the Israeli-Irgun network.

💎 **The Golden Irrefutable Truth**

Rep. Mark Alford is one of the 349 AIPAC-funded, Israeli-Irgun-captured members of Congress. He received the headlock CC evidence (proving the war was started under Israeli pressure) and remained silent. He voted to fund the war while cutting SSDI, SNAP, and VA. He ignores the IAEA report that Iran has no nuclear bomb. He uses racist dehumanizing language ("Islamic dirtbags") to defend an illegal blockade. He is not a patriot; he is an agent of Israeli interests. Every member of Congress who supports this war and blockade, like Alford, is guilty of misprision of felony (18 U.S.C. §4). Prison is mandatory.

Doors off. Alford and his accomplices must be prosecuted.
